

South Plains Electric Cooperative

Operation Round Up Teacher Mini-Grants

Concern for Community is one of the Seven Cooperative Principles guiding South Plains Electric Cooperative. Giving back to our community gives our Cooperative the opportunity to support community efforts that enhance the quality of life for members and their families. Operation Round Up helps provide funding for community members in need.

Operation Round Up is funded by Cooperative members rounding their bill up to the nearest dollar.

See how local teachers benefitted from a Mini-Grant.

Bruce Bearden, a teacher at Heritage Middle School, used his grant to purchase a rowing machine to add to the school's sensory motor room.

Sarah Denning, a teacher at Alcove Trails Middle School, used her grant to provide Percy Jackson books to each student in her class.

Katie Hargrove, a teacher at Upland Heights Elementary, used the grant to purchase recorders for all 4th grade students.

Troy Moses, a teacher at Roosevelt Junior High School, used the grant to purchase a Playmate ball machine for the school's tennis program.

Carly Torres, a teacher at Roosevelt Elementary, purchased Razkids for her students. This program offers readers tailored to each student's individual level, ensuring personalized learning.

Flor Valenzuela, a teacher at Frenship Ninth Grade Center, purchased a Moticam X5 Plus to attach to microscopes to amplify the image.

Stana Washington, a teacher at Roosevelt Elementary, used her grant to purchase math and reading centers to foster early literacy and numeracy skills.

Amy Lester, a teacher at Abernathy Elementary, used her grant to provide STEM activities for students.
