The same program that offers discounts at local and national businesses has saved South Plains Electric Cooperative members more than \$1,145,044 on prescriptions. It now offers you significant savings on dental, vision and hearing services and chiropractic work.

How the Healthy Savings Program works: Request an updated Co-op Connections card from the Cooperative. Then simply show your Co-op Connections Card at a participating provider, and you will receive a discount. It's that easy! Visit www.healthysavings.coop for more information.

This is not insurance nor is it intended to replace insurance.

This discount card program contains a 30 day cancellation period. This plan provides discounts at certain healthcare providers for medical services. This plan does not make payments directly to the providers of medical services. The plan member is obligated to pay for all healthcare services but will receive a discount from those healthcare providers who have contracted with the discount plan organization.
